Here are the challenges faced by the cake shop...

UNAVAILABLE CAKE PRODUCTS

- Inability for customers to view all cake products
- Customers are unaware of what cakes are currently on sale

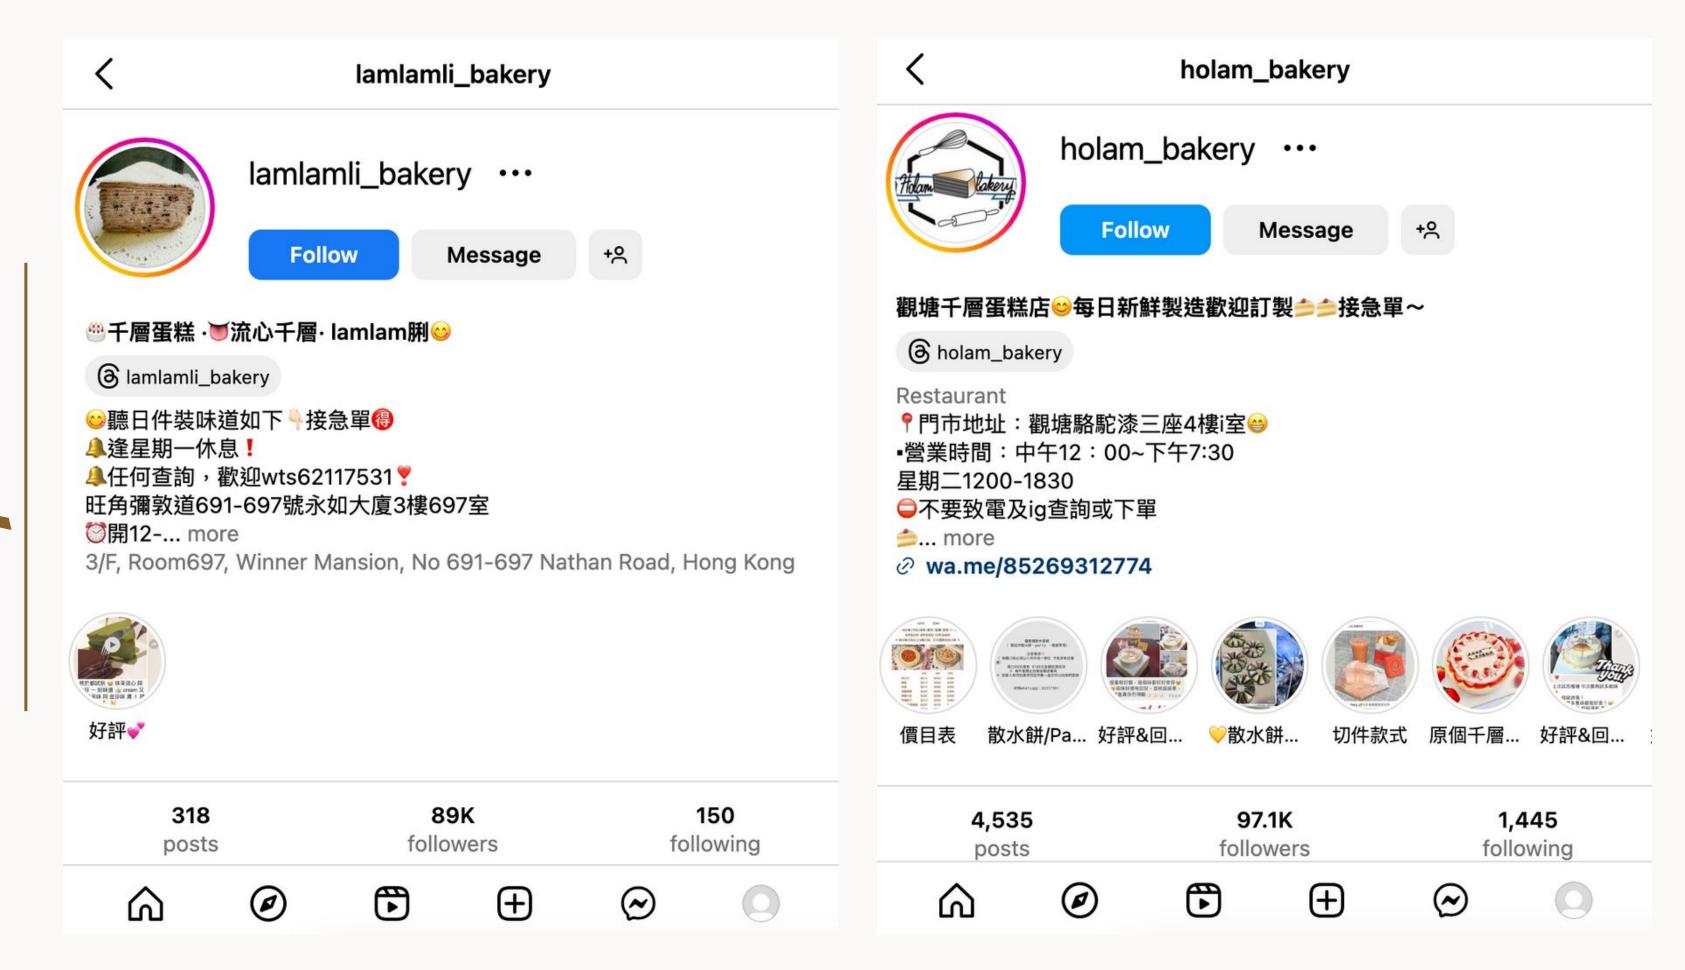

DIFFICULTY IN PROMOTING

 Challenges in creating and promoting seasonal limited-edition cakes and promotions

SLOW RESPONSE TIMES

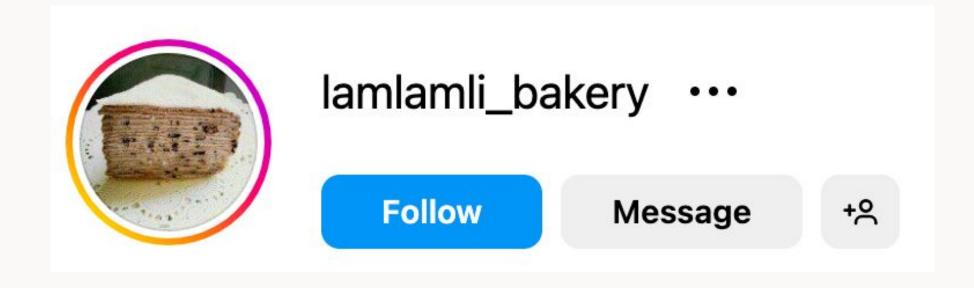

• Insufficient staffing results in delayed response times to customer inquiries.

The aims...

Improving the cake shop includes **enhancing** product visibility through a comprehensive product catalog, increasing customer awareness with <u>regular updates</u>, facilitating <u>seasonal promotions</u>, and improving customer satisfaction through feedback. These initiatives will **create a more efficient and engaging shopping experience for customers**.

Here are some suggestions to address the challenges...

ENHANCE PRODUCT VISIBILITY

- Create a Comprehensive Website
- Use an E-commerce Platform

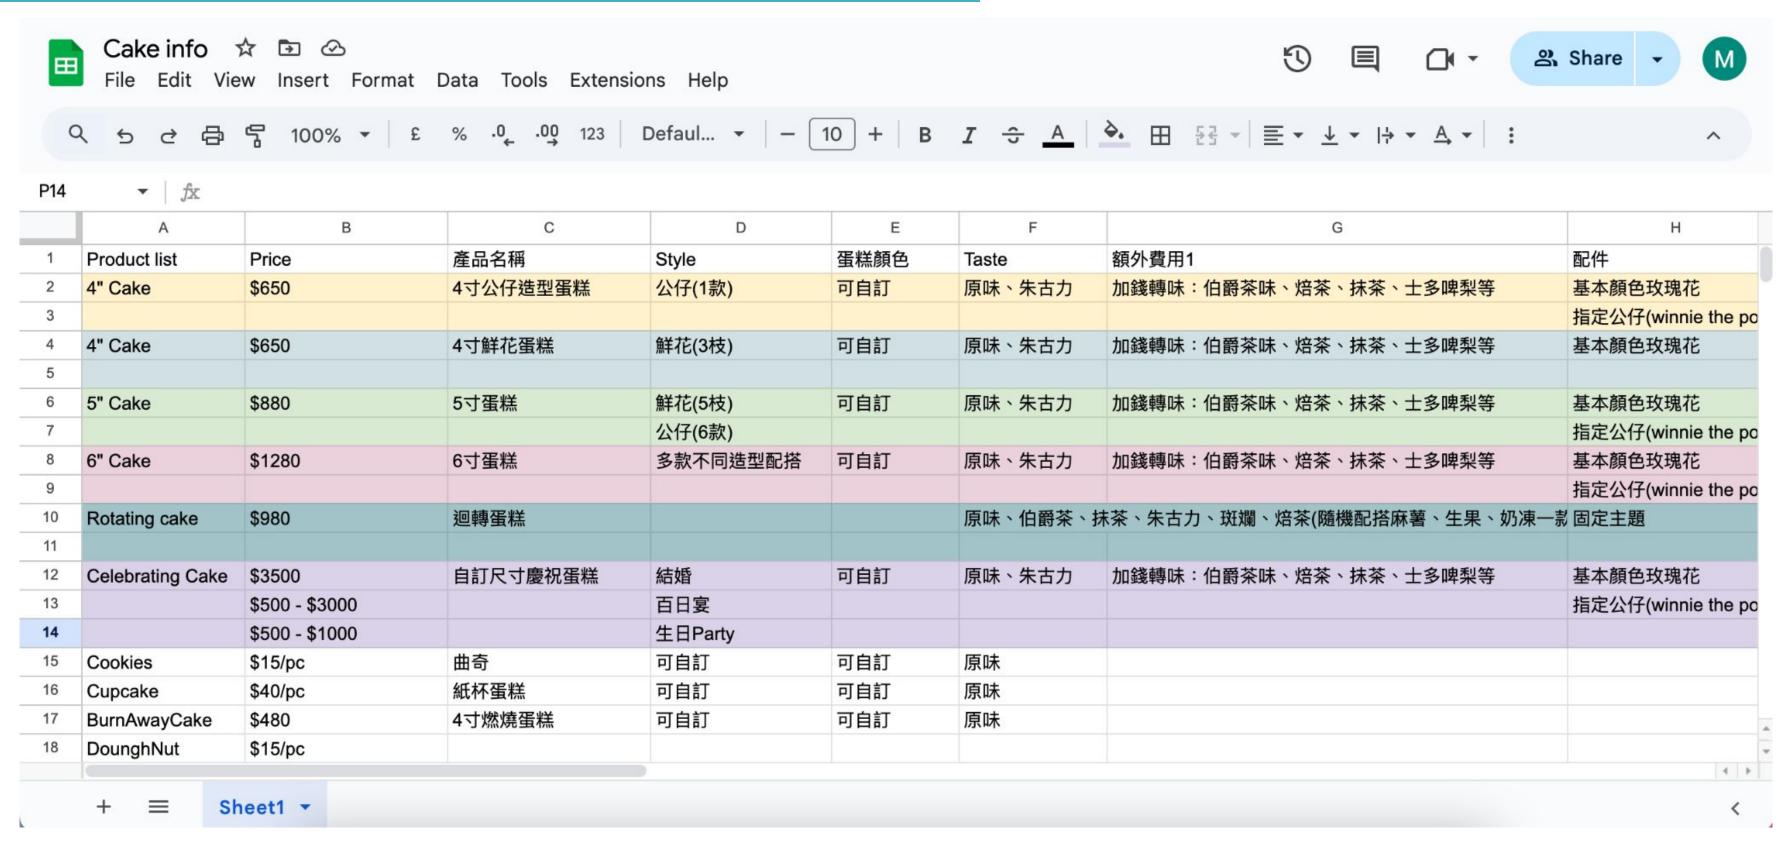

IMPROVE CUSTOMER AWARENESS

- Regular Updates on Website
- SEO keywords rise up website ranking

STREAMLINE COMMUNICATION

- Organize products into categories
- Utilize Website Features such as filters and sorting
